

Complaints Procedure

As soon as possible after the completion of the repair/upgrade, please inspect the work to ensure that everything has been carried out to my usual high standards.

In the unlikely event there is anything you are not completely satisfied with, please contact me as soon as you can in order that I can rectify any problems as soon as possible. To contact me please:

- Call me on 07474059381
- Email me support@gxcomputers.co.uk

I aim to respond within 2 days of receiving your complaint and where possible, will provide you with a date to remedy any issues raised.
